Graduate & Postgraduate Student Symposium 2026

Organized by NexMPI (COST Action CA23132)

To be Held Online via Zoom

✨ **NexMPI Student Symposium Announcement!** ✨

✨ Are you a graduate or postgraduate student working on Magnetic Particle Imaging? ✨

✨ Here's your chance to present your work to the NexMPI community! ✨

🏆 **Prize:** Best Presentation Award in each of the 4 Working Group sessions 🏆

Who can participate

✨ Graduate or postgraduate students (i.e., MSc/PhD students or postdoctoral researchers) whose work relates to **Working Group (WG) 1, 2, 3 or 4** of NexMPI.

✨ Presenters must be a **member of NexMPI** (apply via the COST Action platform at this link).

How to participate

✨ Fill out the short application form at: https://forms.gle/hPymMwEDmeHzYBwk9

✨ **Deadlines and Symposium Dates:**

	Application Deadline	Symposium Date & Time
WG1/WG2 – Hardware/Software	20 September 2026	12 October 2026, Monday, 14:00 CET
WG3 – MNP Tracers	15 October 2026	4 November 2026, Monday, 14:00 CET
WG4 – Biomedical Applications	15 November 2026	10 December 2026, Monday, 14:00 CET

Presentation Format

✨ Prepare a **7-minute** presentation on your MPI-related research, followed by **3 minutes of Q&A** (can be based on your ongoing research or a submitted conference abstract).

✨ Presentations will be grouped by Working Group (WG1 & WG2, WG3, WG4) according to topic.

Best Presentation Selection

✨ Presentations will be assessed by a jury of distinguished NexMPI members.

✨ A **"Best Presentation" award** will be given **in each of the four Working Group sessions**, based on the highest jury score.
